PRESS RELEASE: For Immediate Release

The EMT-Basic students took their final exam on Wednesday. The class will be practicing practical skills over the next week and will take the NH EMS Practical Exam on January 16th. The 12 hour EMT-Intermediate 2011 NH Patient Care Protocol Transition course was completed on Thursday. Those attending practiced with the EZ-IO Intraosseous device. There was a Blood Pressure and Vial of Life clinic in Colebrook. Work continues on installing a new computer server to improve security of the 45th information system.
